

Services Available to Immigrants in London & Middlesex

May 2010

The information provided in this directory was obtained from survey responses and website information provided by organizations, and is intended as an overview of services available to immigrants in the London and Middlesex region, as of May 2010. For the purposes of this directory, "Scope" refers to whether the services provided are *universally* available to all comers, *targeted* to specific groups of clients, or both. For the most accurate and up-to-date information on specific services available in London, please contact the agencies directly.
