You also be asked to say this in your native language if it English is not your first language.

We will also ask for one word to describe what you like best about this area; for example: shopping, restaurants, diversity, sense of belonging, sense of community, sports, theatre, festivals, parks, golf, bike paths, new friends ... whatever it is that you like best about being here.

The video will be posted on the www.welcome.london.ca and the www.welcome.middlesexcounty.ca websites.
